## Help Build the New Community Food Resource Center

### Your gift to the Campaign for Helena Food Share will help provide:

**3-times the shopping space** for customers, eliminating waiting lines outside

**3-times the storage space** in the warehouse with additional space to build food packs & boxes

**A commercial kitchen** where food can be repackaged, processed and preserved, expanding food distribution options

**Community education space** to bring customers and the community together for skills-building classes
